Board Member Training:

Introduction to Regulatory Governance & Advanced Concepts in Regulatory Governance

“CLEAR brings an international perspective on regulation and governance, with a unique focus on the needs of regulators of professions, based on practical and varied experience. It was a really useful session for all involved and more than met our expectations.

— **Ginny Hanrahan**, Executive Director
CORU (Ireland’s Health Professions
Regulator)

“CLEAR training provides board members with the key knowledge and skills that they need to perform their duties to protect the health, safety and welfare of our citizens. It is an invaluable tool that provides an introduction to the regulatory environment, values and culture so that board members are aware of the behaviors expected of them.

— **Clifford Cooks**, Program Manager
Washington, D.C. Department of
Consumer and Regulatory Affairs

Advanced Concepts in Regulatory Governance

Advanced Concepts in Regulatory Governance is a two-day workshop for seasoned regulatory board members, promoting strategies for dealing with specific challenges faced by board members. The first day emphasizes the relationships that are integral to regulatory functions, including dealing with transition, identifying the roles of governance versus management and facilitating positive communication. The second day focuses on the accountability and evaluation role of regulatory board members. The program is designed to include interactive components which will allow attendees to apply the concepts to their own experiences.

Cost

US\$410 for members, US\$330 for nonmembers. Those who attend the annual program and register for the Annual Educational Conference will receive a discounted program registration rate of US\$225 for members, US\$335 for nonmembers.

Who should attend?

The program is geared toward regulatory board and council members, staff, attorneys and other key stakeholders.
